

accordance with consistent standards across exchanges as \$11,507,951.

Accordingly, on this date, the Commission HEREBY GRANTS Comex's Petition for Exemption from the dual trading prohibition for trading in its gold and silver futures contracts.

For this exemption to remain in effect, Comex must demonstrate on a continuing basis that it meets the relevant statutory and regulatory requirements. The Commission will monitor continued compliance through its rule enforcement review program and based on any other information it may obtain about Comex's program. With respect to this continuing obligation, Comex needs to ensure that it fully integrates floor surveillance into its compliance program and takes appropriate disciplinary actions. Although the Commission has found that Comex meets the standards of independence and continued provision of data to the extent practicable and has found that it is not practicable at this time to capture a broker receipt time, the Commission reserves the ability to reconsider what is practicable as technology for order routing becomes more widely available.

The provisions of this Opinion and Order shall be effective on the date on which it is issued and shall remain in effect unless and until it is revoked in accordance with section 8e(b)(3)(B) of the Commodity Exchange Act, 7 U.S.C. 12e(b)(3)(B). If other Comex contracts become affected contracts after the date of this Order, the Commission may expand this Order in response to an updated petition that includes those contracts.

It is so ordered.

Dated: May 6, 1997.

By the Commission.

Jean A. Webb,

Secretary to the Commission.
